MEDBRIDGE

Disclaimer: This program provides exercises related to preventative maintenance OR to your condition that you can perform at home. As there is a risk of injury with any activity, use caution when performing exercises. If you experience any pain or discomfort, discontinue the exercises and contact your healthcare provider.

Standing Wrist Flexion Stretch

REPS: 10	SETS: 3	DAILY: 1	WEEKLY: 7

1

2

Setup

Begin in a standing upright position with one arm in front of your body, palm facing the floor.

Movement

With your other hand, bend your wrist downward until you feel a stretch.

Tip

Make sure to keep your elbow straight and try not to apply too much pressure, this should be a gentle stretch.

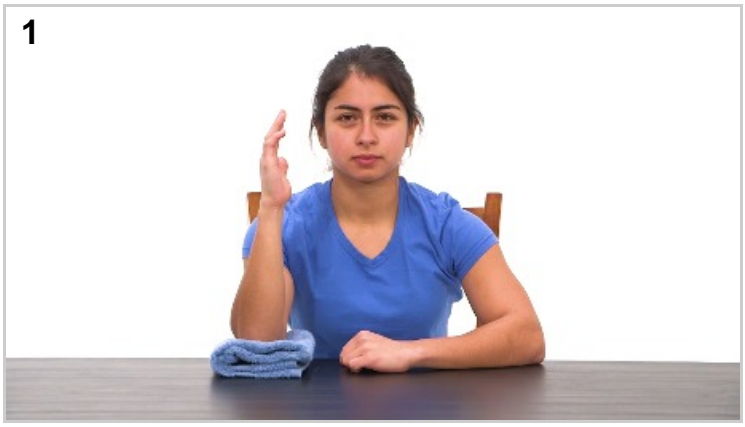
Seated Wrist Flexion PROM Stretch

REPS: 10	SETS: 3	DAILY: 1	WEEKLY: 7



Setup

Begin sitting upright with your elbow resting on a table and your palm facing inward.

Movement

Let your hand drop towards the table, then gently press on the back of your hand until you feel a stretch in your wrist, and hold.

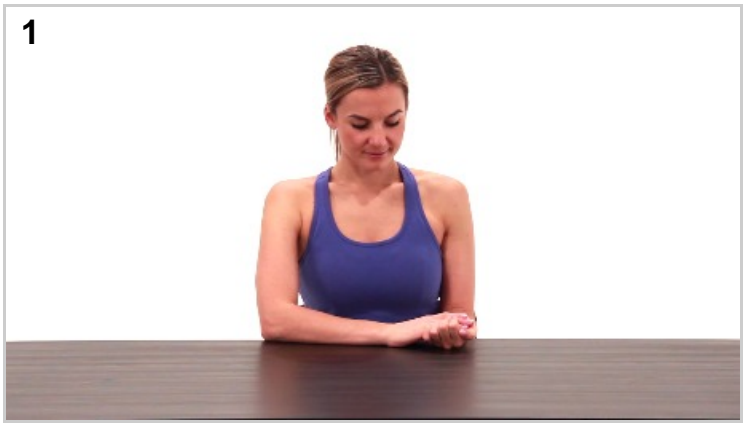
Tip

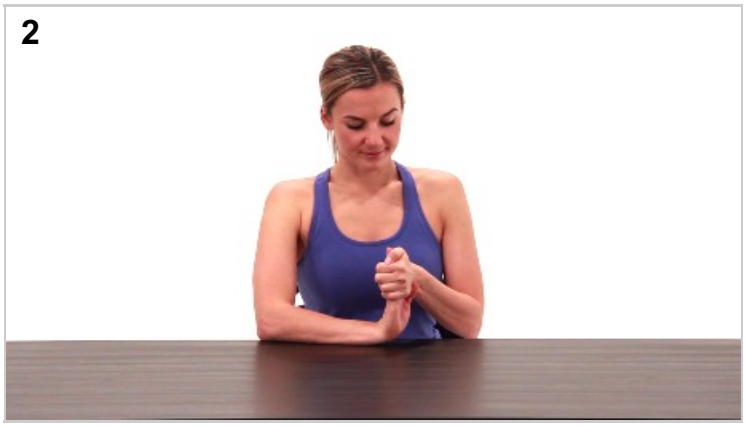
Make sure to keep your arm relaxed and do not rotate your forearm forward or backward.

As there is a risk of injury with any activity, use caution when performing exercises. If you experience any pain or discomfort, discontinue the exercises and contact your healthcare provider.

Seated Wrist Extension PROM

REPS: 10	SETS: 3	DAILY: 1	WEEKLY: 7





Setup

Begin sitting upright with your involved arm resting on a table in front of you, holding that hand with your other hand.

Movement

Lift your involved hand, bending your wrist backward, then slowly lower it back down and repeat.

Tip

Make sure to keep the rest of your arm relaxed during the exercise.

Wrist Prayer Stretch at Table

REPS: 10	SETS: 3	DAILY: 1	WEEKLY: 7

Setup

Begin sitting in an upright position with your elbows resting on a table and your palms together.

Movement

Gently push your hands together and lower them down toward the table at the same time, until you feel a stretch in your wrists.

Tip

Make sure that your palms stay together during the stretch and keep your shoulders relaxed.
