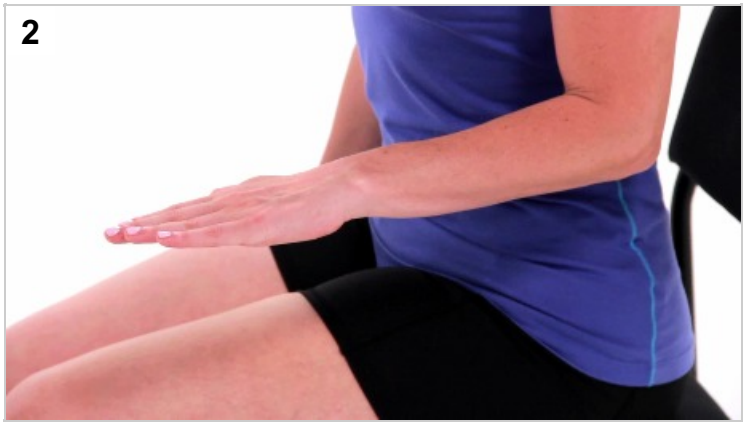
Seated Forearm Pronation and Supination AROM

SETS: 1-3	REPS: 10	DAILY: 1-3	WEEKLY: 7



Setup

Begin sitting upright in a chair with one arm bent to 90 degrees, palm facing up, and fingers straight.

Movement

Rotate your forearm inward, then outward, and repeat.

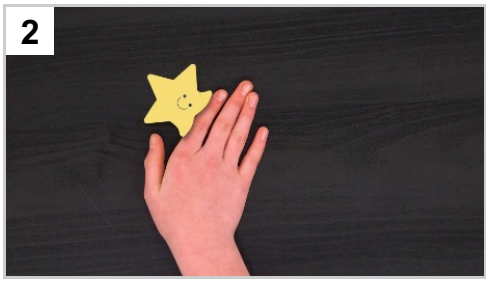
Tip

Make sure to only move your forearm, and keep your wrist straight during the exercise.

As there is a risk of injury with any activity, use caution when performing exercises. If you experience any pain or discomfort, discontinue the exercises and contact your healthcare provider.

Wrist AROM Radial and Ulnar deviation

SETS: 1-3	REPS: 10	DAILY: 1-3	WEEKLY: 7



Setup

Start with your hand resting flat on the table with your fingers together.

Movement

Keeping your fingers together, imagine a star is pushing your hand from side to side, sliding it across the table.

Tip

Be sure to keep your forearm still and focus on only moving at your wrist. Try to keep your fingers and thumb relaxed during the movement.

Seated Wrist Flexion AROM

SETS: 1-3	REPS: 10	DAILY: 1-3	WEEKLY: 7

Setup

Begin sitting upright with your arm resting on a table, hand in a fist and palm down.

Movement

Slowly bend your wrist downward, then return to the starting position and repeat.

Tip

Make sure to focus on only bending at your wrist. Keep the rest of your arm relaxed during the exercise.

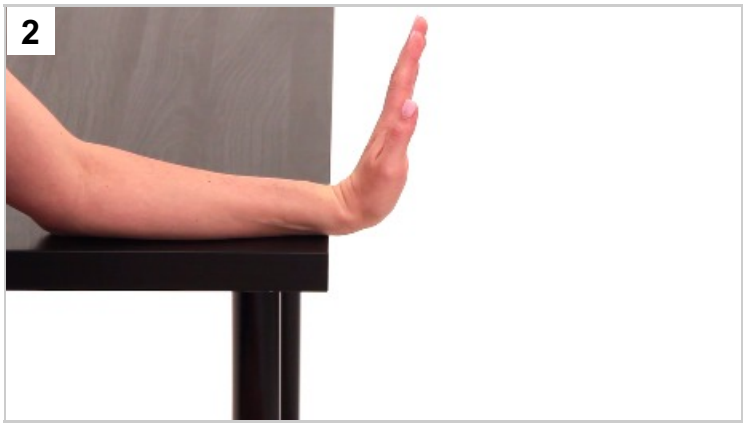
Seated Wrist Extension AROM

SETS: 1-3	REPS: 10	DAILY: 1-3	WEEKLY: 7



Setup

Begin sitting upright with your arm resting on a table, hand off the edge and palm down.

Movement

Bend your wrist backward, lifting your hand, then slowly lower it back down and repeat.

Tip

Make sure to focus on only bending at your wrist. Keep the rest of your arm relaxed during the exercise.

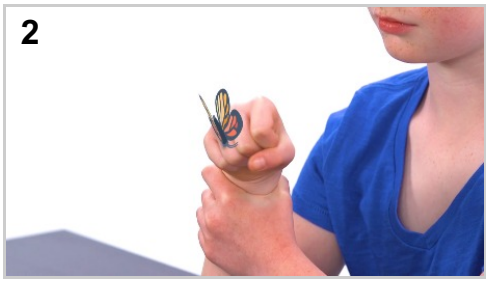
Wrist AROM Wrist Circumduction

SETS: 1-3	REPS: 5-10	DAILY: 1-3	WEEKLY: 7



Setup

Start with your elbow on the table and your hand in a loose fist. Hold onto your arm below your wrist with your other hand to keep it still.

Movement

Imagine a butterfly landing on your hand. Make small circles with your fist to give the butterfly a fun ride. Then pause, and switch directions.

Tip

Be sure to keep your arm still. Focus on only moving at your wrist.
